The Annual Great Brookhaven Clean Up is part of a national effort that draws nearly 2.5 million volunteers in more than 15,000 communities across America who came together to pick up litter, renew parks, and clean miles of roadway, rivers, lakes, and seashore.

The Chamber of Commerce of the Moriches dedicated their day to cleaning up Bank Street Park on Main Street in Center Moriches. They picked up litter, swept the entire park, and planted flowers to beautify the area. The nearly 400 volunteers from the Mastics-Moriches-Shirley Community Library and the William Floyd Community Summit spread throughout the Mastic/Shirley area to clean up roadside litter and beautify their community.
